“ My thoughts and prayers for her family. Regina was my sister/sister inlaw for many years. We shared many talks laughs and my daughter and her boys enjoyed their time together. I got the chance to talk to her a few months ago and it was like we had been talking for years. I thank God for that conversation and my last memory of Gina. My daughter called her Nina and loved her so much as a child. We never know when our time is up here on earth. Make those conversations memorable. God comfort all her family.

“ I cant believe youre gone and it hurts even though i know youre in a better place. You were there for me any time i needed your help or someone to talk to. I always thought of you as family as you did the same about me. You will be missed by me, Jason, crystall and Anthony.
