“Dad, I am absolutely heartbroken and I miss you terribly. What I would give to tell you how much I love you or hug you tight. I will always be a daddys girl til the day I die. I've been told so many times I babied you too much but you were my hero, my dad, my rock. Anytime you called and had a problem or needed something, you would say, "dad needs you lee" and I would take care of whatever it was, well, all but this time. I was proud to be your daughter and loved being able to help you.

I hope you knew how much you meant to me and I was honored to be there for you. I would do it all over for you and never had regrets.
