“ What a beautiful person Rheba was, both physically and spiritually. I can't recall any time that she didn't greet me with that beautiful smile. It was so easy to sense the spirit of God when you were around her. That God will provide comfort, courage, love and peace for this family that is so dear to my heart.

“ *This wonderful lady has always been such an inspiration to myself and my family. Seems like she's been a part of every walk of my life. I can remember her substituting when I was in grade school, with that Christ-like glow on her face. She was one of the first people to welcome me into the family of Christ when I gave my life to the Lotd in 1996. I can remember her hugging me with tears in her eyes, saying "I love you, baby". She had just an amazing impact on my life. I grieve with this wonderful family like they're my own, because it's always been as if they were. Much prayer for you guys during this sad time.*
