“ I remember Autumn, Shanee, and me coming up to hang out at your house and gossip and talk all the time. And how we would sit by the ponds and watch all the fish swim and chat about our days. You always went out of your way and made us all 3 cupcakes and bought us clothes. And you brightened my world when you went with the beach for your deck and pond in the back. Or how you made me fall in love with Ford Mustangs because of your convertible. I can't forget how you also bought Mammaw Eartha her wooden Angel to watch over her. You were a truly amazing friend and I will always miss you. ~Ashley Bentley ~
