“ *I'm a saddened by my 2nd mommy's passing. Don't have the words to express how much I'll miss her calls and our love for each other which all started with her beautiful daughter. Rita was always so good to me if I needed her and called me to just check how I was doing. We had many years and lots of fun memories while I stayed at her house many days a week especially in the Summer and went on vacation with them. I loved her and will never forget our times together as I have comfort knowing she is with her loves now Clifford and Lani. May you rest now.*

“ *Dr Harrison and I are so very sad and to hear about Rita's passing. She was a sweet person who brought a smile to all of at the office whenever she was there. She and I were both hairdressers so we had that in common, and we always had easy conversation with each other. I really did like Rita. And I know she loved her Dr Harrison. Our deepest condolences to her family, especially her two grandsons. She spoke of them so often with us at the office it was obvious that she loved them dearly, and was so proud of both of them. Rita is resting well with her Lord and Savior, and we will see her again.*
