“ *One time I could see he was down, and there was a buchkey tree, an I picked up one an out it in my pocket, Robbie asked what you going to do with that, I said it's good luck to carry a buckeye in your pocket. He replied are you telling me the truth, good lord I need me one of those then.*

Whitey Joe - June 17, 2021 at 10:15 PM

I still got my buckeye maybe his little girl would like to have it, . One day I'll give it to his mommy at the cigarette store to give to her, it was picked up at the very same time some year an half ago.
