“ *Ronnie was truly a wonderful kind friend to all that knew him.
We grew up like brother and sister but as we got older grew apart
going out separate ways.
When my momma died he was one of the first people that came to
me.
He helped me along with Clark Roberts and Phil David move
furniture and my twins back to Daytona.
My son Colley was in the Defires with him and he always looked out
for him.
He would call and check on Elizabeth when she almost died last
year before she received her new liver.
I loved him dearly and will miss him like crazy.
He was just Ronnie and he was loved by all !!*
