“Rosalee, or RoRo to us, was someone we met in the first few months of our moving to Pikeville, 46 years ago. She and her husband Harold were two of the sweetest, kindest, most humble people we have ever known. RoRo loved and cherished her family, and she treated us like family as well. She loved Doc Harrison and trusted him completely, knowing she could call him anytime for medical advice or just to talk. She never failed to remember his birthday or our anniversary with a cake or a pan of brownies, and brought brownies nearly every office visit for many years.

She knew how much Doc loved her brownies, and just exactly how he liked them baked-- soft in the middle and crisply on the edges 😊.

Our sons knew her through her treats that she wanted us to 'take home to the boys'.

We are so heartbroken to hear of her passing. Thank you Sherry, for letting us know.

We had talked to her last month and sent her a card at Christmas. We were planning a visit to see her when Spring came around. We will both miss our talks and hearing her voice. We know she's at peace with Herald in the arms of her Lord and Savior Jesus Christ. We will see her again.
