“ *My favorite memory of us is when I was little & we would come stay the night. I would bring a bag of toys & brother & I would play forever & then sleep with you when it was time to go to bed. You'd play with us & then watch Disney with us as we all fell asleep. We would always be so scared of those granddaddy long legs & you'd just pick them up by their legs & throw them outside, but first would try to make us hold them lol! I love you so much mamaw, this world will never be the same without you.*
