“ *I have fond memories of Aunt Ruby, sitting on the porch swing of the old home place. She had a sparkle in her eyes and a cute little laugh. Always had doggies around and they sure loved her. She could cook up a whole fried chicken dinner in about 5 minutes it seemed like, ever burner on the stove glowing red. Nothing burned though! Lots of fond memories for sure. And now you are Home. Much love to all the family ❤️. SuZan*

“ Aunt Ruby was like a grandmother to me. Dad called her often and they had long conversations about the family. She helped raise him and was like a second mom. She taught me about baking, rag shakes, and our family history. She is with Aunt Cat chatting up a storm. Love and prayers.

“ So sorry to hear of Aunt Ruby's passing. She can be with Daddy now and they can talk all they want. He would call her to check on her and they would talk for an hour or more. Prayers for Linda and the family.
