“ When my brother and I were little our father would take us to visit Uncle Russell. Russell would give us rolls of quarters to play in the arcade, not to mention snacks and drinks from the store. I will always remember his kindness and the memories made at Hall's Midnight Market & Arcade.

“ I have to say that I had the best childhood ever. Why? Because you, Aunt Phyllis, Mikey and Sandy were always with my family. I will cherish those memories forever. They were the best days of my whole entire life. I still have the 3 rings that you made me when you worked at Detroit Engineering over 50 years ago. They still mean as much to me today as they did when you gave them to me. You were my hero and I loved you so much. I even named a fish after you. One was Russell and one was Raymond. Those were the days. So many good memories. I was the luckiest little girl to have you guys in my life. So Young Man walk up those stairs, grab a cup of coffee, have a seat and enjoy all the love ones that have been waiting for you. We will see you again. All my love.
