“ Another beautiful cousin has left us much too soon. I used to think Ruth was one of the prettiest women I had ever seen. As she aged and fought health issues, she never lost that beauty. Those eyes... They would have made Liz Taylor jealous! I remember seeing Ruth when she came back home from the big city where she lived after getting married. I was just a kid, but remember telling her she should be a movie star. Ruth had a heart of gold, just like her precious mom.

*I'm so sorry I couldn't be with the family at this sad time, but I know Ruth would understand and forgive me.*
