Linda burke - March 27, 2020 at 03:24 PM

“ Sam ALWAYS had a sweet, kind, loving spirit! No matter where we would run into each other, she always had a hug and a smile to share and would always ask how I or my family was doing! This was before her battle and even after her diagnosis, she continued to share her sweet, loving spirit with everyone! What a beautiful legacy she has left to all of us who knew her! She would have done anything to help anyone and was a wonderful example of our Savior and His love! She was strong in her faith and now she has gone to her real home and I pray that we can all live in a way that we can join her when our temporary life ends! Thank you for your precious example, sweetest Sam!! You will be greatly missed on this earth but oh how there will be rejoicing in heaven! Prayers and love for your precious family!!

“ I just woke up to read this - this breaks my heart. I didn't know William Samantha Muncy personally but became cyber friends through Compassion That Compels. She was so kind to me and we wrote to each other every now and then. I am saddened to hear she's gone. My deepest condolences to her family and friends. May God give them strength during this hard time of mourning. Rest in Peace my long distance friend Sam. You meant a lot to this grandma over here in Denmark 🇩🇰 🙏🙏 😊😊 💔
