“ I am Sheila’s first cousin. My family moved to Indiana before I was born. I have many memories of visiting relatives in Kentucky. Visiting my Grandpa Pic was so much fun. Playing in the creek in front of his house and walking across the suspension bridge were highlights. This is where I met Sheila and her sisters. Sheila was born three days after me. With my two younger brothers and her two sister there are many fond memories. I am so sorry we did not visit more to have even more memories. Love you Sheila!

“ I worked with Sheila at JCH. She was a hard worker and a great friend. She never had anything bad to say about anyone. She was a good friend. If she didn’t like something she would kinda groan under her breath and that’s why they called her “Bear”. She will be missed but she was ready to go home. 🙏
