“ *Shelby was my classmate when we first integrated Jenkins High School in 1964. I loved seeing her pretty face everyday and knowing she was one of the kinder ones. She always had that big smile that went along with her big heart, A blessing she was. I did not know until 3:30p.m. Thursday evening that she was no longer here and I am sending up Timbers (prayers) that the Lord will grant you all that loved her...Peace and Comfort for your hearts. She was a sweetheart.*

“ *Shelby Jean was a classmate of mine at Jenkins High School. We kept in touch through the years and our friendship never waivered. She was beautiful, funny and a wonderful, thoughtful lady. My heart breaks for her family and myself. I will miss her but will never forget her. Fly high with the Angels, my dear friend.*

“ I remember seeing Shelby at Jenkins Days a couple years back, and I saw her buy a huge sandwich to send over to someone she thought was hungry. I think she had a heart to share with people. I know, my mother just adored working with Shelby at the hospital in Jenkins. They were both nurses, and although my mother got along with everyone, I sensed that Shelby Jean was her favorite person there. I knew her from band and she was a "major player" so to speak. I regret not going to visit her.
