“ *So very sorry to hear of Stanley's passing. We were friends for life. I remember the times spent playing in the sawdust pile at his dad's sawmill. I know how proud he was of his family and that he will be missed by many in the community.*

“ *I loved every time I was around Stan! He always had a smile and*
was always so kind to me. I absolutely loved how incredibly proud
he was of his family and I always looked for his posts regarding
where Josh's song were at on the charts. I could just see him
beaming with pride!

To the family - I am so sorry as I know that he will be missed, he
already is!! Please know that you will all be in my prayers as I will
ask God to give you comfort and peace. If there is anything I can
do, please let me know.

*My heart breaks for you Geri, and your family. Stanley was a friend
since we were 6 years old. As a matter of fact he and I made our
singing debut as a duet in 2nd grade singing "I saw Mamma kissing
Santa Claus". We always laughed about that. Although I haven't seen
him in years, we were FB friends and I saw through that, he was so
proud of his children and of course, always you. May a God bless you
all with peace and comfort through these tough days. Debbie Damron
