“ *Stella B Mullins was one of my favorite people. She was one of the first of our Mullins family to help me research our folks. I enjoyed staying with her and hearing first hand her stories of our family.. She truly was one of best Christians I have ever known and she is in heaven now with all the ones who have gone before. I can see her sweet smile as she is welcomed into her heavenly home. My thoughts and prayers are with her children as they miss her in her earthly home. Lovingly, Peggy Galloway*
