“ *Sorry to hear of Steve passing. I have fond memories of him. We were election officers at Virgie Gym for a few years. He was always so nice and helpful. He was a very good conversationalist, never boring when he was around. He loved his wife and children and that was the subject he talked about the most.*

“ So sorry to hear of Steve's passing. He was a great person and an avid reader. He was one of the best library patrons when I was librarian at Virgie. He always brought his books back on time and we would discuss whether or not the book was worth reading. Prayers for his family. Lonnie and Patsy J. Tackett.

“ Rosemary, this is so hard to take in. Steve was always at Bobby's ballgames. I always knew where ever I needed help I could call on Steve. He was the one person I knew who stood for truth and justice. He was definitely a pillar of any community he lived in. He will be remembered with fond memories.

“ Just now read this and it's hard to believe. Had no idea at all. I last spoken with Steve and Rosemary at Tolby Ratliff's funeral. Steve and I must have talked an hour or more about fishing, football, the Lord and Brandon. Steve was always good to me and I will always remember him especially back in the day when I played football and he helped coach.
