“ *My name is Vernice Combs and we got to know Susie at Jenny Wiley Campground, they were host there and we use to go there and line dance. Susie was always happy and full of life. They became like family to us .She would ask my daughter Maria and I to go with her to take Timmy and Travis home and we would. Her driving on the other hand was fast, we called her Hot Rod Granny, she would scare the pants off of my daughter. We have laughed about these rides with her and the good times we had together. She took us on the cemetery once and she got so close to the edge of the hill we thought we were goners, she just laughed at us ! Our memories of Susie are good ones and we will miss her greatly!! May God be with Gerald and the family, we love you all! Vernice , Maria, Kenneth Combs*
