“ *This lady was my first wife that taught me a lot about love . She and I was high school sweethearts. Over the years we reconnected and remembering the old days . Sorry for my last disconnect it saddens me that God has called on you before we could meet again. I hope that everyone knows she was the one great love of my life. I will definitely miss her but plan on seeing her on the other side. My God bless her family and let them know that I have always thought of them .*
