“ *My sweet sister. I'm going to miss you we grew up beside each other and even though our lives went in different directions. We always knew that we were apart of each other. You were so special inside a beautiful heart that I will always carry with me until we meet again. Love you Julie*

“ I grew up with Teresa on Chloe. She always such a sweet & kind person. It's been a few years since I saw her but we always kept up on Facebook. I know how much you love your Mom & Dad so you are with them now not suffering no more. Rest in peace Teresa.

“ *I am heartbroken at the loss of my dear friend. I already miss you so much. I pray you finally found peace and happiness because if anyone deserved it, it was you. Until I see you again, my friend, may you rest in the arms of Jesus.*
