“ There is not enough space here nor time in my day to express all that Terry meant to me. He has been a Buddy to me for 52 years. His kindness toward me included letting me borrow his Expedition to take a load of teenagers on a trip to Lexington Way back in the day I was just a youngin, he had bought a car and insisted I take it for a spin, let me tell you I knew then that I had passed the bar. (as we all know how he treasured his vehicles).

The one thing that was a constant, I could always count on him to be ready to kid me about something or anything. I will certainly miss him when Betty and I take off on a trip. I would always tell him, "I miss you already"! I loved Terry and I know he loved me.....

I am truly sorry for the loss of Terry Randall. I have known Terry since we were small children, we went to school together all though he was a year ahead of me. Then it was my honor to be in his and Betty's wedding. After many years I guided him thru the VA process. We have always been friends due to Betty being my best friend since high school. Terry will be missed by those that loved him, may he rest in peace . He fought all his battles with dignity. Prayers for Betty and his children and their families.
