“ Although I have only known Terry for just a little over a year, we were very good friends. Terry was someone who always had a good ear for listening, and offered wise Godly advise. he shared stories of his life of his wonderful family and specially of his mother. He loved his mother very much a respected her for her hard word and love, with tear filled eyes this wonderful man told me about her death and you could tell he was torn apart when she left to go home, Terry has finally made it home and I can just see him taking his mother by her hand and running to see Jesus. My is broken with this family but live your lives to see him again in Heaven, he sure left a great testimony for you to cherish!!! lol be & Prayers!!!! Thank you Terry for giving to The Lord, I am a life that has been changed by your gift!!!!

“ There are many ways to describe Terry. A hard worker, a good friend, a faithful Christian, a caring and loving husband and father, a beloved family member, the list goes on and on with so many attributes. We were so accustomed to having him being this person that it just seems surreal that he has moved on to heaven. We miss and love him.

“ Terry was a wonderful family member and full of life. He saw the joy and good in every moment. While we didn't get to spend as much time together as I would have liked, he will surely be missed. Our hearts go out to Debbie, Vonda, Devan, Margie, Rodney, Stanley Dwayne, and the whole family. A man like Terry is irreplaceable, but hopefully God gives them the strength to endure. Love always, Greg and Angie.
