“ I had the privilege of meeting Theresa through the WIA program at the Kentucky Job Center last Spring. I later saw her at Walmart. She was picking out some fresh vegetables as her mother and her were sharing a meal later that day. She was a beautiful young lady whom gave me hope.

“ I was so very sorry to hear of Theresa's passing. Unfortunately, I didn't have the opportunity to work with or know Theresa very long, but she certainly made my days brighter and my job much easier. While I'm grateful that she is no longer suffering, she will definitely be missed. May the liives of all who had the pleasure and honor of knowing her here on this earth be filled with precious memories!

“ Theresa is my cousin we come from a large family that is very close. Our Nanny had 9 kids and at least 20+ grandkids, we all pretty much grew up together. Growing up on the hollow we had so much fun, lots of cousins to play with and trouble to get into. We will always have those fun times and memories to look back on and talk about.

The loss of Theresa has left a void in all our hearts, we will keep the memory of her life alive. She was full of life and had a personality that could stand with the best of them:) She was a great mother and cousin, I will love her always, and think of her often.

“ Theresa was such a wonderful, kind, and loving person. I met Theresa through the WIA program and she was so kind to me. I was so depressed and down and she was like an angel sent from Heaven to lift me back up again. She believed in me when I didn't or couldn't believe in myself. She will forever have a special place in my heart. I will miss her....
