“ *I hold so many memories of Timmy. From the time he was a baby to the man he grew up to become. When he and his family lived in Chicago, they would come to visit us in Michigan and we all hold some wonderful, funny memories. Timmy being the youngest always was the "baby" and we always tried to keep his innocence. Like the Christmas when our parents were downstairs being "Santa Claus" and all of us kids were upstairs. Timmy just knew he heard Santa's sleigh being pulled by Rudolph and the gang....those memories still bring smiles to my face. However, today, they bring tears rolling down my face as well. I could go on and on about memories I have of Timmy. And yes, he will always be Timmy or Tim Harold to me. I love you cousin, I know that your pain is gone now, and you are so lucky to be with Our Savior, Jesus Christ in your mansion that He prepared for you. I will see you again one day.*

*Love,
Sheila Hamilton*

“ *Tim and I have not talked like we use to in some time BUT when we were teenagers he was my best friend every summer when mom shipped me off to Kentucky to stay out of trouble. The problem was Tim and I did not stay out of trouble!!! We had many good times running up and down Booker Fork, playing in the creek, throwing rocks and riding his dirt bike. Two things I could always look forward to every summer was going home with poison ivy and great memories of the fun Tim and I had. He was a great nephew and an even better friend to an old city boy. He will be greatly missed.*
