“ *Tim has been in my heart since the day we met 8 years ago. He was one of the only people i could call a real friend. I am left broken hearted to hear the news. Just to know i cant pick up the phone to call him or him call me is breath taking. I pray for his precious Mother. The love she has for him and him to her is something not many people have. I also pray for his sisters. He was so proud of his beautiful sisters. Jesus keep him close to you. Soar high my dear friend. I will miss you so.*

“ Timmy was one of my children at school. I loved him and his mischievous ways. He always showed me respect and listened when I told him the right way to be. Not too long ago I saw him and he didn't think I remembered him and he was happy that I truly did remember him. I told him I never forget one of my children!!!! And especially not him. He knew I loved him too.
