“ *Our condolences to the Pence family. Early on Tommy and I were fishing buddies, riding our bikes to Price Creek to catch sunfish, catfish, and suckers. We only lived 1.5 miles apart and rode the same school bus. I was a classmate of Tommy's throughout elementary, junior high and high school, and Joan (my spouse) was a classmate of Tommy's throughout her high school years.*

*Tommy was always upbeat and friendly, but regrettably, we didn't see each other much after high school. Both he and his family are in our prayers.*

*With sincere regards,*

*Darrell and Joan Parks*

“ Tommy and I were first cousins, as our Mothers were sisters. We spent some time together growing up. He was a joker, like his Dad, a lot of fun.  
My sympathy to Evie, and all the family, especially my cousins Darla and Debbie, whom I also spent a lot of time with. I know you will all miss Tommy a lot. He is a hard guy to forget! What a great personality.

*I grew up with Tommy in Eldorado Ohio where he attended Monroe High School. His Dad and Mother, Herb and Lola were good friends with my Mom and Dad and Herb worked at the Creamery with my Mom. I always liked Tommy and had lost track of him over the years, I remember like it was yesterday the first time Tommy took me a ride in his new 1956 Black Chevy convertible at a high rate of speed! I was 2 years younger and really impressed, hopefully he is still flying upward at a high rate of speed!!! My condolences to all of his family Reynold Reeder*
