My deepest condolences to Tom's family. I went to school with Tom from grade school through high school and we were in the same graduating class.

My heart broke this morning when I read about Tommy passing. Tommy and I were best of friends. Tommy's dad, mom and his sister were so kind to me. I truly love his family and Tommy was a brother to me. I played basketball with Tommy for the Wildcats, we were starting guards and I screwed things up by moving to Virgie. I know the family hearts are broken. I am so sorry I can't it to his funeral as I live in Westen Ky and my health is not good. Regardless, my deepest condolences to the family.
