“ Chick was a good man. I grew up in Virgie just right around the corner from him. I always thought he had such a great sense of humor. He was always very kind and helpful to me and my family after my dad died. He coached me in Little League basketball and he would never let the referees get by with a bad call without letting them know about it. He'll be missed in the Virgie community. Rest in peace Chick. God Bless the family you're in our prayers!

“ Chick made a difference and cared so much about the community. I have so many wonderful memories of a man that was good to me and a great friend of my dad. I enjoyed Chick's visits to my shop...he and I have shared many laughs and tears. I pray for peace and comfort for the family. This has been a difficult year, but someday the tears will begin to turn to smiles. Chick will always live in my heart.
