“ *So very sorry. Wanda was such a sweet lady and so strong. She always had a smile on her face and had a great sense of humor. I know that words can't lessen the grief you're carrying but please try to find comfort in knowing how much she was loved by everyone she met. We love you all and our prayers are with you as you try to make it through this. God bless.*

“ Wanda was one extraordinary woman. She was strong willed and she could always find a way to cheer me up when I needed it. I loved sitting around and talking with her. Me and her had some good talks over the years. I feel blessed to have known her. She had such a kind heart. May you rest in the comfort of our Lord. Wanda , you will be missed by many people whose lives you have touched, mine being one of them. I miss you already. I love you Wanda ----- My prayers go out to the family
