“ I love my aunt/ sister Sue. She was the best person I ever knew. She worked hard and never said a word about anything or anyone. She loved all her family but nothing like she loved her son. He was the light of her life like no other. She was so proud of him and his family, that is growing these days. She is resting now knowing he has all kinds of family and friends to love and support him with her leaving. I like that!!!! Rest in Heaven Sue. I am already missing our phone calls and I always will. I love you, Katie
