“ Words can not express the love and respect that I have for this lady. Her ability to see the good in everyone and in every situation was remarkable. She was truly a gentle soul and an amazing woman. Not only have I lost my Mamaw but I have lost my BEST friend. Although she is exactly where she has strived and worked so hard to get to, I am sure going to miss her. It was a blessing for us to have been brought together and I am truly honor to be her granddaughter. I love you!

“ Mamaw-

I miss you more than words can explain. It hasn't even hit me yet that you are really gone. Everytime I start to get sad or upset, I think of how you wouldn't want me to be & how you are in such a better place now. I know your above me watching over me, making sure I am ok. Your happiness & joy will always be with me. I love you so much mamaw! ?

The next few days are going to be really rough for not only me but Uncle Stevie, Mom, and Sissy but i promise you mamaw i will stay as strong as I can possibly hold to be there for them because i know thats what you would want me to do. I cant wait for your Rose bush to bloom in the spring, I may even take some of the roots and plant them at my little home. Your smile could light up anyones day and even tho it rained today my day was still sunny because i knew you was up there watching over us and helping us through this hard time. I love you better than a cat loves cream mamaw and from the moon and back. I promise i will never let you down <3
