“ There are no words to truly express my daddy in laws kindness and tender heart. A beautiful example of what a man of God should be. He loved and served people and the love of Christ shone brightly through him. The day I met him he held my hand and called me daughter. That will always be one of the sweetest words I'll ever hear. His light still shines and will never dim. As you face the Lord he will proclaim well done my faithful and loyal servant. I will hold you in my heart forever more.

“ Mr. Lamb was a true man of GOD years ago he and my Dad Rev. Curtis Justice preach several services together. I ran for Sec/Treas of the U.M.W.A. of District-30 and Mr. Lamb went with my Dad for several days helping me to get elected to that position. Willie and I would talk about every week, either he would call or I would call him. He was very instrumental in helping his union brothers in obtaining there pension and black lung. I couldn't even start to image how many men he has helped with there benefits over the years.
R.I.P. Bishop Lamb may you and Dad dance on the streets of gold

“ *What can one say about Willie, a WW2 Veteran, a Man of God, who grew up in McRoberts, who practiced what he preached, he will be missed, but those of us that had the privilege of knowing him have our memories, My heart goes out to Walter and the rest of the Lamb family.*

“ *Bishop Lamb was wonderful. He prayed with me and told me some things in 2012 that would one day come to pass and all of those have happened within the past year. He would even send me gospel tracks and oil in the mail. A true man of the Lord Jesus!*
